Humber Guide(temprary name)

"2 years of knowledge in 5 minutes."

Pitch:

When you first entered Humber did you ever have problems getting around the school? Finding your class rooms? Finding the food court? Knowing Frosh events? Well now we have the solution. Humber Guide(temporary name) is an app that will fullfil all those first year problems you encountered. Now getting to class, food court, and events will be simplified in one simple app. Knowing your school is the first thing you want to know the minute you step inside. We all go through the same problem, and we want to simplify your life the easy way. No one likes getting to class late, and why endure the emberassment of the entire class staring at you? Well with this app you never have to worry about that again. Need to figure out where Registration is? Well, no worries the Humber Guide will get you there so you can resolve the problems you are having. Everything you need to get around will be here, for you, to help you along the way.

Characteristics

- Easy to use
- Navigation through school
- Digital information booklet
- For students, and only students

Inspiration

We didn't really look for inspiration for this app. We wanted to look at a fresh new idea/concept for this app. We didn't really look at other apps to inspire the reason as to why we decided on this app. We had a problem, and now we're answering it with a solution.

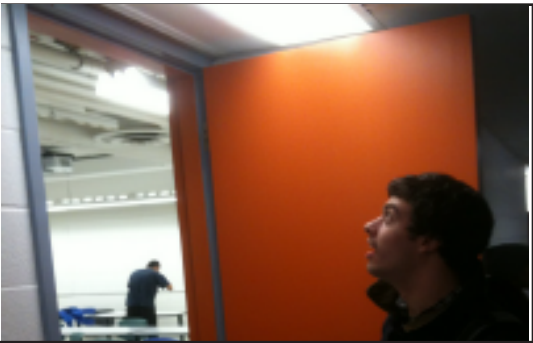

School is already stressful enough, so why be stressed navigating?

Get to you appointments on time

Get the books you need for your studies with eez.

Never be late for class again

Don't be square, be there.

Knowing your school LVL: Success
